MRS. BAHR'S KINDERGARTEN CLASS / 801-785-8795 EXT. 156

## Adventures in Learning

**Writing and Letters** We are learning the vowels of the alphabet and listening for all the beginning middle and ending sounds in words. We are learning to form words and are practicing the use of high frequency words in our writing. Remember to help your child if he or she is still not recognizing and reading all the letters and high frequency words. See attached list. It is important that they receive additional help at home if they are not at grade level with these skills.

**Reading** - We are enjoying our guided reading groups and the wonders of being able to read. It opens up a whole new world in the lives of children.

**Math Facts** - We have started a new unit in our Math called Counting and Measurement. See attached note. We had fun counting the days of Kindergarten to 100. We are 100 days smarter!

**Social Studies** - We had some great adventures in the snow and learned about the South Pole and Antarctica. This month we will learn about symbols of the United States and great past presidents.

## Happy Februaray

If you have concerns or questions about how your child is doing in school, please feel free to call me. I would love to talk to you! Contact Mrs. Bahr by phone at school 785-8795 ext. 156 or email <kbahr@alpine.k12.ut.us>
